

Hospital Affiliate Program Overview

The Society for the Advancement of Patient Blood Management (SABM) *Hospital Affiliate Program* is your institution's gateway to joining an elite network of hospitals dedicated to excellence in patient blood management.

This program offers three levels of affiliation—*Exemplar, Champion, and Foundation*—tailored to match the size and commitment of hospital systems while delivering unmatched value, visibility, and resources. Here's how each level can enhance your hospital's leadership and influence in patient blood management.

1. Exemplar Hospital Affiliate

- **Membership and Networking:** Six (6) Annual Individual Memberships (up to \$1,500 value), giving your team direct access to SABM's expert network.
- **Event Participation:** Six (6) Annual Meeting Registrations (up to \$4,800 value) with a 20% discount for up to five additional attendees (\$800 value), offering premier event access.
- **Comprehensive Learning Discounts:** Up to 15% off Certificate Course Registration (\$787.50 value) for large groups, supporting professional development. (Group of 15 receives 15% off, Group of 10 receives 10% off, Group of 5 receives 5% off)
- **Exclusive Branding Opportunities:** Hospital logo on SABM's website and publications with three-year complimentary licensing, elevating national recognition.
- **Enduring Recognition:** Receive a plaque and be honored at the Annual Meeting as an Exemplar Affiliate, showcasing your commitment to PBM excellence.
- **Premium Resources:** Full access to SABM's Administrative and Clinical Standards, Quality Guide, and Executive Guide for comprehensive PBM strategies.
